A young man with light brown hair is standing in a modern, industrial-style setting. He is wearing a dark blue hoodie with a large, light blue BMW logo on the chest, light blue jeans, and white sneakers. He is looking off to the side with a slight smile. The background features a large, curved structure with a prominent BMW logo and blue vertical accents. The ground is a dark, textured surface.

BMW LIFESTYLE.

PRODUCT INTRODUCTION AND PHILOSOPHY OF THE BMW COLLECTION.

SUSTAINABILITY.

Sustainability is the red thread running through the entire BMW Lifestyle Collection. All products are composed of high-quality sustainable materials, offered in timeless colours for long-term use. The cotton used in the collection is 100% organic and the insulation pieces are filled with certified RE:DOWN, a filling made from recycled down feathers. Whilst being sustainable, all materials do have a premium hand feel and are extremely comfortable to wear. It has never felt better to consume responsibly.

VERSATILITY.

By offering a broad range of branding options and colour executions, the collection appeals to a variety of consumers. All products are easy to match with consumers' wardrobes, whilst always staying close to the heart of the brand.

SOPHISTICATED DESIGN FEATURES.

Logo executions, labels, printing techniques and finishing touches always pay tribute to BMW's engineering excellence. The term 'FREUDE' has been incorporated into selected products to underline the ultimate goal of the collection.

PRODUCT CATEGORIES.

The new design aesthetic is introduced across multiple product categories from Apparel, Headwear, Bags and Umbrellas to Mugs and Socks. All easy to mix-and-match, complementing one another and resulting in the new total BMW look.

A man and a woman are posing in a warehouse-like setting with large windows in the background. They are both wearing grey hoodies with a large, stylized 'M' logo on the chest. The logo features vertical stripes of blue, red, and white. The woman is on the left, looking towards the camera, and the man is on the right, looking slightly off-camera. The text 'BMW M COLLECTION.' is overlaid in the center of the image.

**BMW M
COLLECTION.**

BMW LIFESTYLE.

PRODUCT INTRODUCTION AND PHILOSOPHY OF THE BMW M COLLECTION.

SUSTAINABILITY.

The M products equally deliver on sustainability. Premium, high-quality materials with premium hand feel in timeless colours ensure consumers get to enjoy products for a long time. Tested for durability and wearing comfort whilst driving the powerful BMW M cars. For fans, owners and performance enthusiasts alike.

MIX-AND-MATCH COLOUR SCHEMES.

Referencing premium materials used in the interior of BMW M cars, the M range seamlessly fits into consumers' wardrobes. The products allow you to hit the streets not only at speed but also in style.

FINISHING AND DETAILING FEATURES.

The beauty of the M products is expressed in particular through the details and product finishing. Hard-wearing PIMA cotton is used in apparel for a pleasant feeling on the skin. Cordura material is used in bags to improve tensile strength and ensure long-lasting durability. Last, but not least, the embossed branding execution references the precise engineering of BMW M cars in the making.

ENGINEERED FOR DRIVING.

The M products are engineered for driving. The raglan construction of the garments improves comfort whilst driving. Pockets are carefully placed ensuring accessibility whilst wearing a seatbelt. Drive safely and enjoy the ride.

BMW M MOTORSPORT COLLECTION.

BMW LIFESTYLE.

PRODUCT INTRODUCTION AND PHILOSOPHY OF THE BMW M MOTORSPORT COLLECTION.

Our long-running partnership with PUMA continues, but this time we are focusing on the 320 Group 5.

The 320 Group 5 was a tremendous success for BMW Motorsport, not only in terms of all its victories but also in terms of the records it still holds today.

We created an unconventional new collection. Designs are bold with colourful badge details mixed with PUMA classic silhouettes and sustainable materials.
