

# KEEP LOOKING FORWARD

ADVANCED CAR EYE 3.0 PRO

Did you know that you can enjoy the benefits of a dash camera in your BMW without compromising the premium look and feel of your vehicle's interior? Many aftermarket dash cams are bulky or poorly integrated, but BMW offers a solution designed specifically for your vehicle. Experience peace of mind and seamless integration with the BMW Advanced Car Eye 3.0 Pro.

## BMW Advanced Car Eye 3.0 Pro.

The BMW Advanced Car Eye 3.0 Pro is a fully integrated front and rear dash camera system engineered to complement your BMW's design. With direct connection to the vehicle's wiring harness and professional installation beneath the A-pillar trim, this OEM solution delivers advanced security without altering your vehicle's aesthetics. Featuring SD-card storage, a built-in display on the front camera, radar-assisted parking surveillance, and smart-

manage footage quickly and confidently. Best of all, installation does not impact your vehicle's warranty, unlike many aftermarket alternatives.

Includes required compatibility parts: 8364566, 6917401, 9232673.  
Rear camera installation is prohibited on convertible models.
